EDUCATION BEYOND BORDERS

ABOUT US

RM Group of Education (RMGOE) is a trusted education consultancy committed to helping students make informed decisions about their academic future. We provide professional guidance for students seeking higher education opportunities in India and abroad, offering clear information, personalized counseling, and support throughout the admission process. Our team works closely with students and parents to understand their goals and guide them toward suitable institutions and programs. With a focus on transparency, reliability, and student-first guidance, RMGOE ensures that every step—from exploring options to completing the admission process—is smooth and well-informed.

At **RMGOE**, our mission is to empower students with the right opportunities and guidance so they can confidently pursue their educational aspirations and build successful careers.

OUR VISION

We strive to transform education through innovative solutions that empower educators & students for a dynamic learning future.

Final Chapter: Homecoming , June 2026 - Shyamal Shivam (KSMU, Kursk, Russia)

OUR MISSION

We envision a future where personalized, inclusive & evolving educational experiences unlock the full potential of individuals & societies.

Day 1: New Beginning, Sep 2020 - Shyamal Shivam (KSMU, Kursk, Russia)

OUR VENTURES

Edufever is a one-stop platform for students seeking information on courses, colleges, careers, and entrance exams. It offers study materials, mock tests, online learning, and personalized guidance empowering students to make informed decisions about their education and future.

EduUnite streamlines college applications in India and abroad. Apply to multiple colleges with one click, find scholarships, and get guidance from shortlisting to enrollment.

Crawford Academy produces industry-ready digital marketers through hands-on training and real-world projects. Graduates master in-demand skills in SEO, SEM, social media, content, email, analytics, and conversion optimization, enabling them to confidently drive measurable results for businesses.

The Crawford Foundation is a charitable trust that empowers students to achieve their educational dreams through scholarships, mentorship, and financial aid, creating a brighter future for all.

At entrancefever.com, we offer accurate and timely information about education and entrance exams held across India. In today's competitive world, it is important for students to stay informed about the latest news on entrance exams, colleges, admissions, and more.

Why MBBS Abroad

Studying MBBS in India is highly competitive, with limited seats, high fees, and a complex admission process adding to student stress. Donation demands and reservation quotas further increase the challenge.

In contrast, MBBS abroad offers a simpler and more affordable option, with lower fees, no entrance exams, and direct admissions—along with quality education, global exposure, and modern facilities.
