RECTOR'S MESSAGE

Welcome to East European University!

East European University (EEU) offers high-quality education shaped by experienced professors, scientists, and industry leaders. Our programs combine Georgian and Western academic standards, designed to meet the demands of today's global job market.

At EEU, students from diverse backgrounds gain practical knowledge through modern teaching methods and advanced technologies. We focus on real-world skills, ensuring strong career readiness and future employment opportunities.

Through partnerships with local and international organizations, EEU creates a dynamic and supportive learning environment, connecting students with valuable opportunities worldwide.

We are committed to your success and believe your journey at EEU will be both productive and rewarding.

Sincerely,

Dr. Kakhaber Lazarashvili
Rector, Professor

ABOUT THE UNIVERSITY

East European University is a distinguished institution in Georgia, committed to maintaining international educational standards in teaching and research.
